Mr. James O. McReynolds, County Administrator
York County
P. O. Box 532
Yorktown, Virginia 23690

Dear Mr. McReynolds:

Enclosed please find a copy of Resolution 04-22 of the Board of Supervisors requesting the state to construct a ferry to add to the Jamestown-Scotland Ferry by 2007.

The board believes that the ferry system will be severely overburden with visitors to the many 400th anniversary commemorative events held in Jamestown during 2007 if a new ferry is not added to the ferry system. The travel delays caused by the backup of traffic will adversely affect the citizens of our communities who use the ferry system to commute to work on the respective sides of the James River.

The Board respectfully requests the Board of Supervisors of York County to assist with this effort by adopting a similar resolution and forwarding it to state officials who could aide in making the decision to fund and construct a ferry. Please forward a copy of the resolution to me.

Respectfully yours,

Terry D. Lewis
County Administrator
